Welcome to the Society of Pediatric Nurses' new Learning Center! We are so excited to be able to share this new system with you and hope it will be a smooth transition for everyone.

You can access the new Learning Center on the SPN website by going to the Events & Education tab and selecting 'Learning Center'.

From there, you will be able to sign in with your typical SPN login.

We have divided our main navigation into 4 selections: Online Courses, Recordings, Upcoming Webinars, and Certification Resources. These are our main 'buckets' of content, however you can also find all of our educational offerings in the Catalog along the right-hand side.

Within the catalog, you can search for products by keywords or filter by category, format and type.
