

Subject: Pediatric Nursing Excellence with the Society of Pediatric Nurses

Hello < INSERT NAME >

I am writing to you to explore the opportunities of taking our organization to the next level when it comes to pediatric nursing excellence and providing the highest quality care for our patients and their families.

The Society of Pediatric Nursing (SPN) is the premier pediatric nursing society. Representing more than 3,600 pediatric nurses across 28 specializations, SPN supports nurses in their practice by providing pediatric-specific educational resources, news in health care trends, and opportunities to network with pediatric nurses around the country. Now, there are many nursing professional organizations to choose from when seeking professional development. SPN is the only association specifically focused on creating community and resources to support the unique needs of pediatric nurses and advance excellence in pediatric care.

The features of becoming a member of SPN are truly endless. By becoming a member of SPN, our organization will gain access to:

- A supportive network of like-minded nurses who understand the specific demands and skillset of pediatric nursing
- Discounts on the PNCB CPN exam registration.
- Up to 26 free NCPD contact hours per year through live and on-demand expert and peer led webinars.
- A free subscription to the Journal of Pediatric Nursing.
- Discounted pricing on educational courses in the SPN Online Education Center.
- Discounted registration for the SPN Annual Conference.
- And much more!

With a plethora of benefits from becoming a member of the Society of Pediatric Nurses, <INSERT ORGANIZATION NAME> will be arming us with the timely, relevant research we need to provide the best care possible. SPN offers tiers to their group membership which allows us to build a membership plan exactly to our needs given the size of our team.

| | |
|-------------------------|---|
| Up to 5 Members | \$575 |
| Up to 10 Members | \$ 1,180 |
| Up to 15 Members | \$1,780 |

By equipping our organization with the resources provided by the Society of Pediatric Nurses, we would be able to maintain and exceed the quality care for our patients by staying up to date on the latest information within the pediatric nursing field. I encourage you to ponder the [group membership opportunities](#) and the benefits that come with being a member of the premiere pediatric nursing organization. If you have any questions, please don't hesitate to reach out.

Sincerely,

<insert your name>
